

## **Good News Lyrics**

A Cheerful Look brings joy to the heart

(repeat)

And good news brings health to the bones

Proverbs 15:30

I can see sunshine all over your face

Smiling wherever we go, every place

I can see it.

Come on, Let's be it...

A Cheerful Look and a joyful heart.

A Cheerful Look brings joy to the heart

(repeat)

And good news brings health to the bones

Proverbs 15:30
